Acknowledgements

Sponsors

- The chair and the members of the International scientific committee
- The members of the Local organizing committee

for their active contribution in putting together the scientific programme, chairing the sessions and organizing the event. Their input, ideas and suggestions have been invaluable during the whole process.

- The colleagues who were willing to chair or be part of the juries for the awards (the BSPS International Award, the Young Scientist Prize and the three Poster Prizes)
- The sponsors for their support
- The KU Leuven Conference and event office and the local helping hands are acknowledged for their great efforts.

Farewell reception
